

**SOLID WASTE ASSOCIATION OF NORTH AMERICA
OHIO BUCKEYE CHAPTER**

**2023 ANNUAL AWARDS PROGRAM
NOMINATION INSTRUCTIONS**

This packet of nomination instructions is for the 2023 Buckeye SWANA Chapter Awards. A copy is available on the Chapter's website at: www.swanaohio.org.

1. SWANA Ohio Buckeye Chapter James S. Bridges Solid Waste Professional of the Year

The James S. Bridges Solid Waste Professional of the Year Award shall be considered, but not necessarily awarded each year, to members of the Chapter. An individual's employer shall also be recognized at the presentation of the Award.

Nominees shall have provided valuable services and exemplary contributions to the Chapter and the field of solid waste management. The length, depth and breadth of continual contributions and services to the Chapter and the field of solid waste management shall be considered in selecting the Nominees.

Determination of this Award shall reflect the candidate's service, achievements and contributions to the field of solid waste management. Consideration shall also be given to community service.

2. SWANA Ohio Buckeye Chapter Kevin M. Bonzo Solid Waste Innovator Award

The Kevin M. Bonzo Solid Waste Innovator Award shall be considered, but not necessarily awarded each year, to Chapter members. An individual's employer shall also be recognized at the presentation of the Award.

Nominees shall have demonstrated unusually noteworthy achievements and/or highly significant contributions in his/her field of solid waste management that has resulted in an innovative solution to the management of solid waste. Innovative solutions can include new operational techniques, use of technology, development of efficiencies in collection, recycling, disposal and/or handling of solid waste, and implementation of new programs and/or services for solid waste management that are unique and cutting-edge.

3. SWANA Ohio Buckeye Chapter Michael D. Long Solid Waste Operator Award

The Solid Waste Operator Award shall be considered, but not necessarily awarded each year, to a member of the Chapter who as an operator, manages either a landfill, transfer station, material recovery facility, hauling operation, compost facility or special waste collections and processing facility (i.e., HHW, electronics, white goods, industrial solid waste, etc.).

**SOLID WASTE ASSOCIATION OF NORTH AMERICA
OHIO BUCKEYE CHAPTER**

**2023 ANNUAL AWARDS PROGRAM
NOMINATION INSTRUCTIONS**

Nominees shall be an operator in the field of solid waste management who has demonstrated unusually noteworthy achievements and/or highly significant contributions to the solid waste management industry.

4. SWANA Ohio Buckeye Chapter Special Recognition Award

The special recognition award shall be considered, but not necessarily awarded each year, to a solid waste professional, government agency, non-profit organization or company who has demonstrated unusually noteworthy achievements and/or highly significant contributions to the management of solid waste in Ohio. This award is meant to be account for awardees that do not qualify for the other awards offered or are non-members of SWANA. Awardees can be SWANA members or non-members.

5. SWANA Ohio Buckeye Chapter Young Professional of the Year

The Young Professional (YP) of the Year Award shall be considered, but not necessarily awarded each year, for members of the Chapter who meet SWANA's criteria as a Young Professional and who are current SWANA members. An individual's employer shall also be recognized at the presentation of the Award.

A "Young Professional" is defined as an individual in the solid waste industry aged 35 or younger. The Board will recognize an outstanding YP who represents the future of the solid waste industry. Examples of this may include but are not limited to:

- Demonstrating passion for the environment, our industry, and helping each other succeed.
- Providing advice, brainstorming ideas, developing solutions, and sharing in the struggles and triumphs of working in this business.
- Contributing to innovations, programs, or projects that facilitate the growth of our industry or achievement of common industry goals.
- Representing the next generation of SWANA through leadership, involvement, and dedication.

6. Excellence in Safety Award

The Excellence in Safety Award shall be considered, but not necessarily awarded each year, for members of the Chapter and non-members who demonstrate any or all of the following:

- Implemented or developed an innovation in safety in the nominee's workplace and/or in the solid waste industry.
- Implemented or developed significant safety improvements in the nominee's workplace and/or in the solid waste industry.
- Assisted or acted on the prevention of a near miss or accident that could have resulted in personal injury to the nominee's co-workers, clients or customers.
- Demonstrating passion for operating safely and helping others operate safely.
- Providing advice, brainstorming ideas, developing solutions, policy development and sharing of working in the solid waste management business in a safe manner.

An individual's employer may also be recognized at the presentation of the Award. The Chapter may also select multiple applications annually for awards.

The postmark deadline for submitting applications to the Buckeye Chapter of SWANA is **April 28, 2023**, and should be submitted to Mr. Scott B. Perry, SWANA Awards Committee Chairperson the following address:
